YOUTH

IN

VENEZUELA

FIGHTING THE US STRANGLEHOLD

JUNE 8 // 11AM AEST // ONLINE

Guest Speaker: Génesis Garvett is a young revolutionary leader elected to Venezuela's National Assembly representing the United Socialist Party of Venezuela.

Young socialists are fighting to defend and extend Venezuela's Bolivarian revolution.

This means defeating crippling economic sanctions and continuous US-led attempts to bring down the socialist government. Now a new generation of SOCIALIST YOUTH is playing a crucial role in advancing popular, revolutionary power.
